

FAST MASKING

Addum 20/40

Always ready for masking

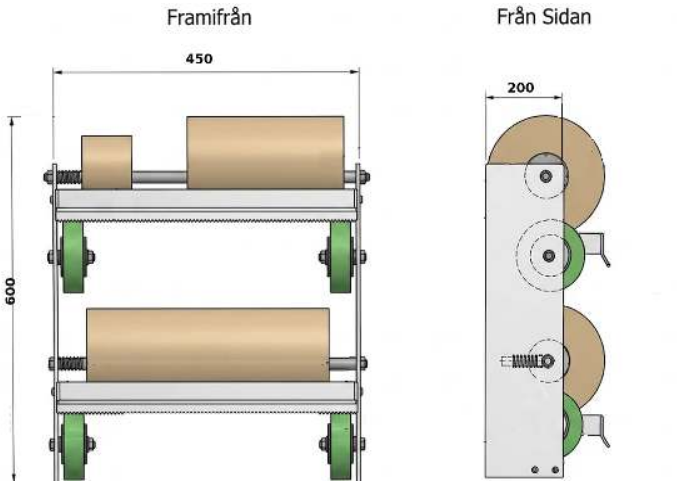

Addum 20/40 is a practical masking dispenser developed to optimise your workflow. With room for three paper rolls in different widths (75, 200 and 400 mm) and integrated tape holders, you always have the right masking to hand.

It mounts on the Collectum work trolley (9-500), where it replaces the hose holder – or on a wall using two L-profiles.

KEY FEATURES

1. **Three paper rolls**
   Widths of 75, 200 and 400 mm – always the right masking to hand.
2. **Integrated tape holders**
   Paper and tape in the same place for fast masking.
3. **Mounts on Collectum**
   Replaces the hose holder to create a compact, mobile masking station.
4. **Or wall mounting**
   Can be mounted on a wall with two standard L-profiles.
5. **Fast & easy masking**
   An organised, easily accessible solution reduces masking time.
6. **Better ergonomics**
   Work comfortably and avoid unnecessary movements.
