

FOLDS AWAY – 10 CM FROM WALL

Stötis vägg

Storage in a minimal footprint

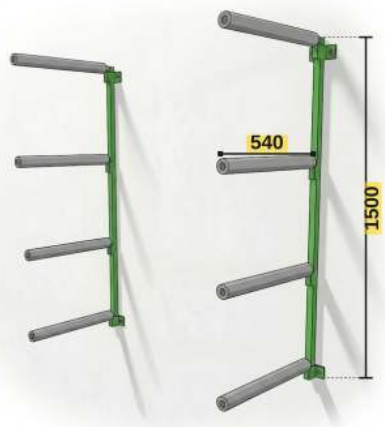

The wall version of Stötis stores up to 4 bumpers directly on the wall – perfect for temporary storage and tight spaces where floor area is scarce.

When not in use, the arms fold away easily and then project just 10 cm from the wall. Removable arms make it adaptable even for extra-large bumpers.

KEY FEATURES

1. **Up to 4 bumpers**
   Four arms make use of the wall area upwards.
2. **Folds away**
   Projects just 10 cm from the wall when not in use.
3. **Mount several side by side**
   Two or more units make room for longer bumpers.
4. **Takes no floor space**
   Perfect for tight spaces and temporary storage.
5. **Removable arms**
   Adapt even for extra-large bumpers.
6. **Robust & Swedish-made**
   Own design, built for the workshop environment.
